**ASSOCIATION MANAGEMENT CENTER CREATES
SENIOR BUSINESS CONSULTANT POSITION**

Glenview, IL—Association Management Center (AMC) announced today the appointment of Sara DeChambre as senior business consultant.

In this new position, DeChambre, who has been with AMC since 1993, will immediately and substantially benefit AMC's outsourcing clients. DeChambre will add value in administration, system-codes and setups, data integrity, process workflows, PCI Compliance, and end-user training—all tailored for users of TIMSS® and Personfy® association management software.

DeChambre brings solid business experience in database integration, assessments, testing, and training to this role—experience gained after serving in the operations and management of AMC's centralized call center, data entry, and member services departments for 16 years. Sara collaborates with association staff members to solve problems and find the best and most effective approaches to new projects.

"Sara's unique experience and leadership skills are invaluable to this new position, our clients, and AMC," states Scott Engle, AMC Principal. "She is a tremendous asset as we continue to develop best practices and implement future projects for internal and outsourcing clients."

In her new senior business consultant position, DeChambre reports to Ronald M Moen, AMC Director. For further information or to tap DeChambre as a resource, contact Moen at 847/375-4774 or via e-mail at rmoen@connect2amc.com.
