## AMS Announces EICC as New Client

Washington, DC – Washington, DC based association management firm, Association Management Strategies (AMS) is pleased to announce that it has been selected as the new Association Management Company (AMC) for the Electronic Industry Citizenship Coalition (EICC).

EICC is a non-profit organization working together to create a comprehensive set of tools and methods that support credible implementation of the Code of Conduct throughout the Electronics and Information and Communications Technology (ICT) supply chain.

“The EICC Board has emphasized the need to improve coordination of EICC activities, increase operational effectiveness, and enhance communications effort,” said John Flatley, Managing Principal of AMS. “We are pleased with they have chosen AMS to help partner with them in this effort,” said Flatley.

AMS is also pleased to announce the addition of new administrative staff members Trish Calamari, Lisette Werbowetzki and Grant Feichtinger who will help in the administrative management of our new and current clients.

## AMS Announces National Space Society as New Client

Washington, DC – Washington, DC based association management firm, Association Management Strategies (AMS) is pleased to announce that it has been selected as the new Association Management Company (AMC) for the National Space Society (NSS).

NSS is an independent, educational, grassroots, non-profit organization dedicated to the creation of a spacefaring civilization. NSS is widely acknowledged as the preeminent citizen's voice on space. NSS has over 12,000 members (and more supporters) and over 50 chapters in the United States and around the world.

“The NSS Board has emphasized the need to improve coordination of NSS membership and marketing activities and to increase operational effectiveness, and enhance communications effort,” said John Flatley, Managing Principal of AMS. “We are pleased with they have chosen AMS to help partner with them in this effort,” said Flatley.
